Internship certificate

Liu Yanming worked as an intern in our company from July 7, 2020, to January 14, 2021, mainly engaged in teaching activities.

During the internship, he was down-to-earth, consulted modestly, worked hard to master working skills, was good at thinking, and was able to draw inferences from others. Responsible for students' recognition of truth, and won unanimous praise from students and parents; Actively cooperate with colleagues and listen to others' opinions modestly. Be able to apply the knowledge learned in school to specific work and impart it to students. At the same time, he strictly abides by the rules and regulations of our company, the internship time, obeys the internship arrangement, completes the internship task, respects the personnel of the internship unit, and can get along well with colleagues in the company.

This is the company's evaluation of the student's comprehensive performance during the internship after the end of the internship, for the school and the employment unit.
